(1) European Agency for Safety and Health at Work

Motivation

56 %

of all **employees** in EU
use computers &
internet at their
workplace (1)

30 %

of European **workers**
suffer from **back pain** (2)

1.

back pain tops the list
of all reported
work-related
disorders (2)

(1) Eurostat (2018)

(2) European Agency for Safety and Health at Work

Our Mission

What specifications should a solution fulfill?

Easy to use

No extra gadget

Feedback

Robust

Efficient

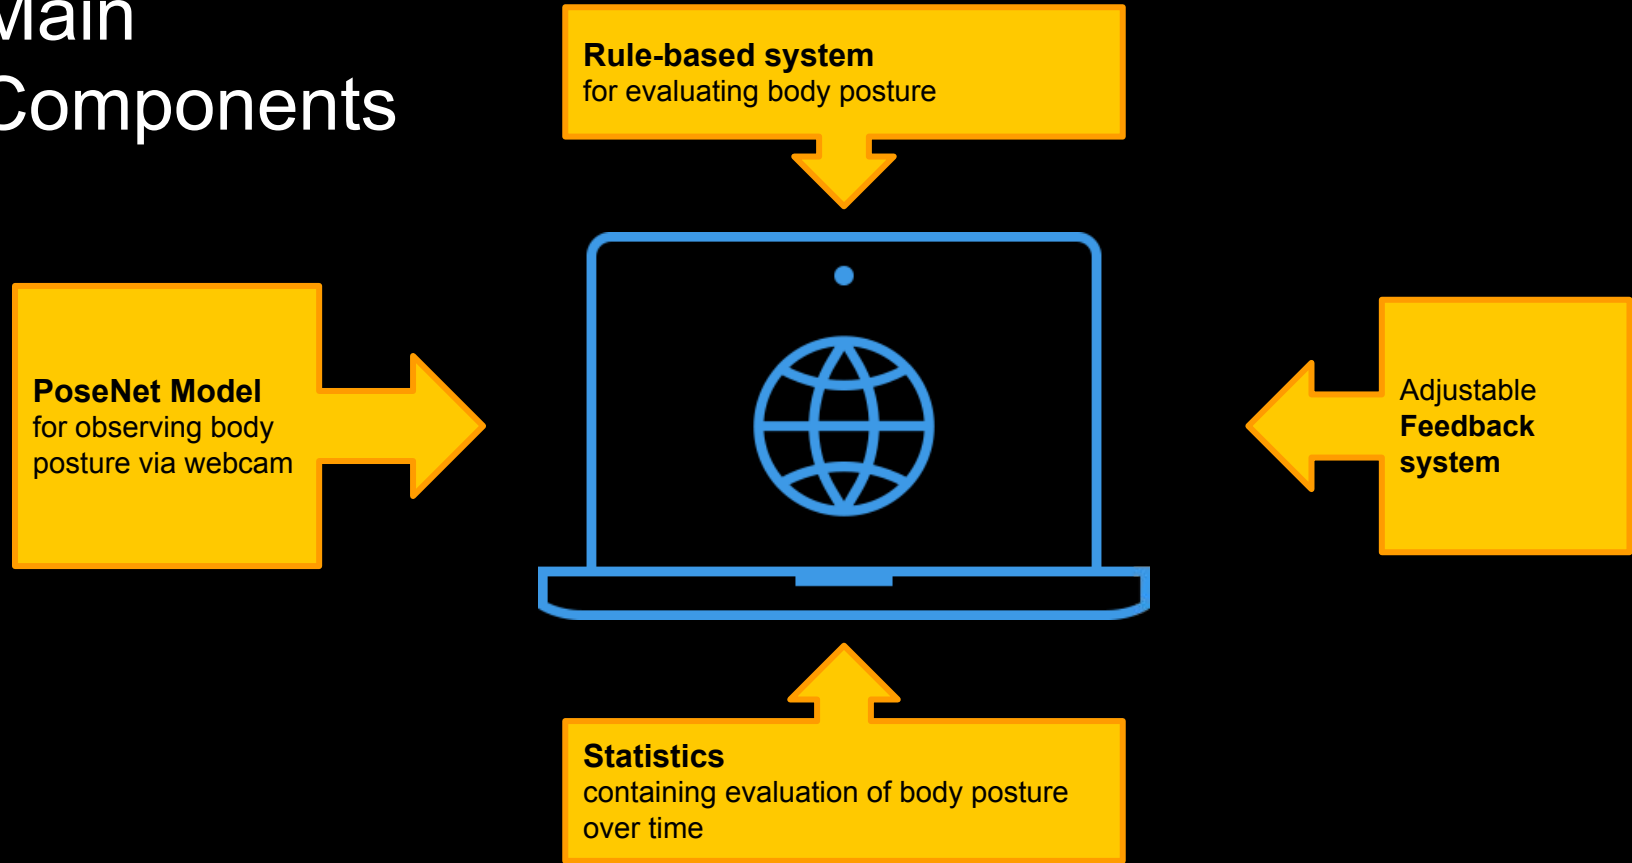

Modern Design

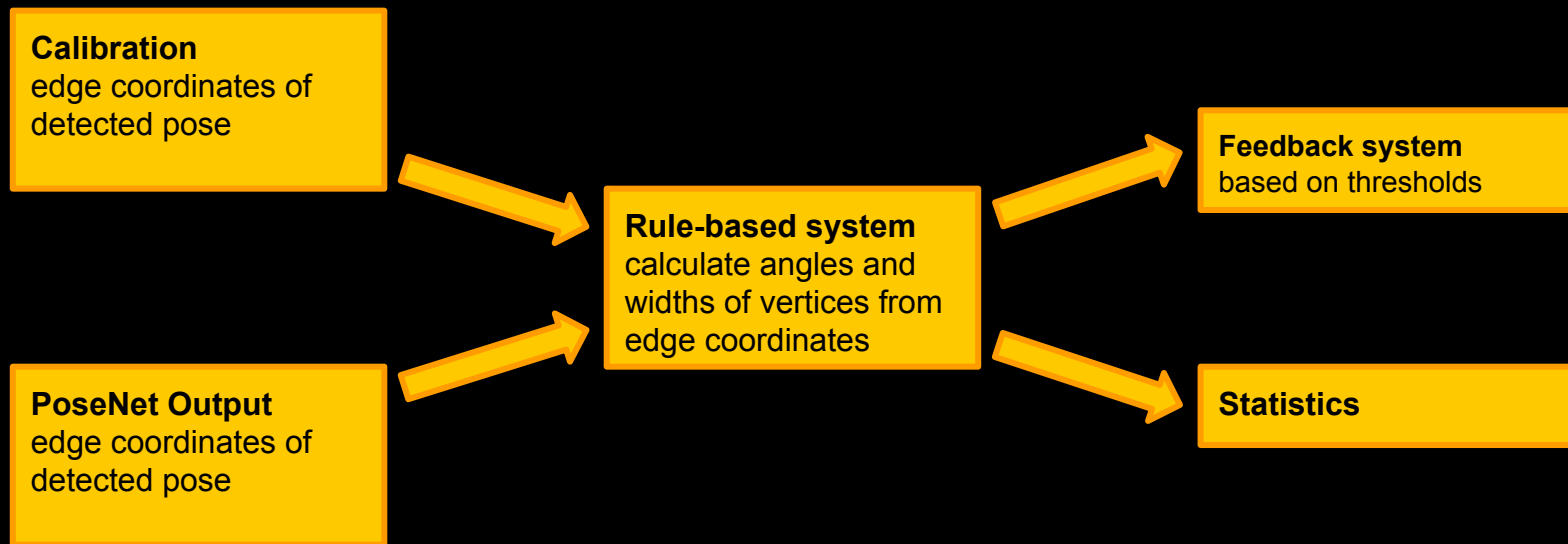

BodyPose - is a Webapp

that **improves body posture** habits
at workplace

Main Components

How does it work?

Lessons learned

“Slim” Deep Learning models still have high power consumption

How to embed a pretrained model

How to adjust a pretrained model for better performance
